Dear Rick,

Congratulations on the great work that you and your people are doing!

I am a retired Nazarene preacher, but my father was an ordained preacher in a Baptist denomination. I learned a lot from the Baptist; there is nothing like a Baptist revival. They will do and say anything to win a soul.

Only time and eternity will reveal the glorious results of the Van-Do Tell-yond words what was accomplished.

I attended every service to see hundreds find Jesus. It was extremely exciting to observe what God was doing in a town I love.

Thank you for all of the great success and victory!

Very Sincerely,
John D. Hansen
