To Whom It May Concern:

I would like to recommend Mr. Rick Gage as a potential motivational speaker for your school. His presentation, "Being a Winner in the Game of Life," is extremely powerful and had a positive impact on our student body. Our faculty, staff and students have continued to rave about his message of avoiding drugs and alcohol, and making positive decisions that last a lifetime.

Mr. Gage was positive, energetic, and extremely accommodating to our needs and scheduling requirements. I can say without reservation that Mr. Gage was one of the finest speakers to high school students that I have been associated with in my educational career.

If I can provide any additional information regarding Mr. Gage and his program, please contact me at (256) 582-2046.

Sincerely,
